A BLESSED, BLESSED AND HEAVENLY MIRACLE OF MIRACLES!!

On the 4th of August, in the year 1843, a singular scene occurred in the Royal Scientific Institution of Burlington, Vermont. A young man, whose head had been, at his age, unfeasted, his face radiant with smiles, (or scenes were triumphant,) and his voice with gratulatory tone, delivered the following report:

"We are astounded at this singular preparation. Where indeed will science stop? Here we have a preparation made in the form of a beautiful piece of soap, which we know not how to describe, and which exceeds every description of, and even dismukes' skin! Where will its unique and singular power come? The Negro, the Creole, the Yellow Race of the East, the Indian, the White, under the influence of the extreme powers of clearing yellow or discolored skin, and making it white and beautiful, and of changing the color of dark, or black, or brown skin? (Here several persons, who were present, were forced by the President, who had used it, in proof of its power.)

There are probably new persons of intelligence, who, after reading the above, will doubt the qualities of **JONES' ITALIAN CHEMICAL SOAP**

IN CERUS.

Pimpeles, Blotches, Salt Rheum, Scars, Erysipels, Pustules, Ulcers, Tumors, &c. **Scars, Ulcers, &c.** **Chapped and Tender Feet, Freckles, Tan, Sunburn and changing dark Skin, or Yellow Skin to a pure clear white, as smooth and soft as an infant's skin."**

and in fact every kind of complexion and disfigurement. Read these certificates:
